

Hello, I am writing in response to your ad on Indeed. As you will note in my CV, I am an ideal candidate for the position.

To begin with, I have a BA in graphic design from New York Institute of Technology, I have done design work for 5 years and have attained a high level of proficiency with graphic design (Photoshop, Illustrator and InDesign) as well as web design (HMTL, CSS, Bootstrap and Wordpress) and video editing (AfterEffects).

For more information about my skills and qualifications, as well as examples of my design and web-design work, please refer to my website (cbolorinos.com). I thank you for taking my application into consideration and look forward to hearing from you soon,

Regards,

Christian Bolorinos
